Westside Missionary Baptist Church Lent 2022

“Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke?” -Isaiah 58:6

God is calling us as a church body to fast and pray. During the season of lent God's desire is for us to give up some things as we take part in this spiritual discipline. When God's people fast with the proper motive – seeking God's face with a broken, repentant and contrite spirit- God will heal our lives, our churches, our communities, our nation, and world. The awesome power of God can be released through you as you fast through the enabling of the Holy Spirit.

HOW TO FAST SAFELY

By all means consult your doctor before you begin your fast. It is believed that many doctors have not been trained in this area and so even their understanding may be limited. Even so, it would be wise to ask your doctor to be sure you are in good physical condition. You may have a physical problem that would make fasting unwise or dangerous. Also, if you are under any type of medication make sure you talk to your doctor before changing your regime. Prudence and caution are in order.

There are certain persons who should **NEVER** fast without professional supervision.

- Persons who are prone to anorexia, bulimia, or other behavioral disorders.
- Persons who have tumors, bleeding ulcers, cancer, blood diseases, or who have heart disease.
- Those who suffer chronic problems with kidneys, liver, lungs, heart, or other important organs.
- Individuals who take insulin for diabetes, or suffer any other blood sugar problem such as hyperglycemia.
- Women who are pregnant or nursing.
- Those who suffer weakness or anemia.

HOW TO MAKE THE BEST OF YOUR SPIRITUAL EXPERIENCE

Receiving God's best blessing from a fast requires solid commitment. Arranging special time each day with God is absolutely crucial in attaining intimate communion with the Father. You must devote yourself to seeking God's face, even (and especially) during those times in which you feel weak, vulnerable or irritable. Read your Bible and pray during what would be mealtimes. Meditate on GOD and sing His praises.

As you enter this time of heightened spiritual devotion, be aware that Satan will do anything he can to pull you away from your prayer and Bible reading time. When you

feel the enemy trying to discourage you, immediately go to God in prayer and ask Him to strengthen your resolve in the face of difficulties and temptations.

EXPECTED PHYSICAL EFFECTS

Although fasting can be an indescribable blessing, it is not always easy for everyone. In this time of discipline, self-sacrifice, and reflection do not be surprised if you experience mental and physical discomfort.

To begin, you may experience some inner conflict when you deny yourself the pleasure of eating delicious food. Any sort of fast may sometimes leave you feeling impatient and irritable. The temptation to break the fast will be present.
